

## **NOTICE TO ALL GOCCs**

**Subject : CYBERSECURITY PROTOCOLS FOR THE GOCC SECTOR**

**Date : 2 APRIL 2018**

---

In line with the State's policy, as envisioned and articulated in the National Cybersecurity Plan 2022, and recognizing the numerous threats in cyberspace, the Governance Commission shall be undertaking to adopt best practices in cybersecurity within its own organization. All the GOCCs are encouraged to do the same. In line with this, the Governance Commission is currently endeavoring to include the placement of cybersecurity policies and protocols in GOCCs as a mandatory governance scorecard target.

GOCCs may refer to the Center for Internet Security (CIS) Controls and CIS identified Best Practices as resources in designing their respective cybersecurity protocols. Your designated responsible office or officer/s may also start coordinating with the Department of Information and Communication Technology, Office of the Assistant Secretary for Cybersecurity under the leadership of Asst. Sec. Allan S. Cabanlong ([allan.cabanlong@dict.gov.ph](mailto:allan.cabanlong@dict.gov.ph)) through tel. no. (02) 920-0101 (loc.1201), to assist your organization/corporation in creating a cybersecurity protocol. You also have the option to engage a private sector cybersecurity consultant should your Governing Board so desire.

The Governance Commission shall send regular updates on its progress in establishing its own cybersecurity protocol as well as guidance for GOCCs in the inclusion of said protocols in their good governance targets.

**FOR YOUR CONSIDERATION.**

Very truly yours,

  
**SAMUEL G. DAGPIN, JR.**  
*Chairman*

  
**MICHAEL P. CLORIBEL**  
*Commissioner*

  
**MARITES C. DORAL**  
*Commissioner*
