

Office of the President of the Philippines
GOVERNANCE COMMISSION
FOR GOVERNMENT-OWNED OR -CONTROLLED CORPORATIONS

Quality Policy

GCG is committed to be the leading and recognized institution for corporate governance, exemplifying the highest levels of professionalism in the stewardship of GOCCs in instilling accountability, economic viability, and responsiveness to the needs of public interest.

To uphold this commitment, we shall –

- Institutionalize the highest standards of corporate governance for GOCCs
- Promote integrity and accountability through participatory governance
- Guarantee effective, efficient, and innovative delivery of services
- Ensure compliance with applicable quality, statutory, and regulatory requirements
- Reengineer processes with innovative technology to eliminate red tape and enhance internal controls
- Elevate and retain corporate governance specialists by establishing an ideal professional work environment and culture
